

Bre'al Products Sales Order Standard Terms and Conditions (ver. 1.1)

Updated August 26, 2021

The following Standard Terms and Conditions Apply To, and Supplement, All Bre'al Products Sales Orders and Confirmations:

I. Definitions. For purposes of these Standard Terms and Conditions, the following rules and definitions apply:

The term "**Article**" or, collectively, "**Articles**" means any item or items sold by Bre'al Products to a Customer.

The term "**Customer**" means a company or person that is purchasing an Article from Bre'al Products.

The term "**Authorized Repair Facility**" means an appropriately-rated facility from the Bre'al Products list of authorized repair facilities, and includes any facility with which Bre'al Products contracts for repair services.

The term "**Expired**" means any inspected, repaired, overhauled, or new Article where the airworthiness approval certificate is over two years old.

The term "**Pass/Fail Article**" means any Article that cannot be repaired beyond a general pass or fail inspection. A Pass/Fail Article can be, but is not limited to inspected, repaired, overhauled, or new conditions.

The term "**Return of Material Authorization**" ("**RMA**") means a written authorization issued by Bre'al Products to authorize the return of an allegedly discrepant Article. An RMA is issued by Bre'al Products at its sole discretion.

The term "**Excess**", as relating to shipping costs, is defined as charges in excess of the cost of the manner directed in the Customer's purchase order.

The term "**Free on Board**" (FOB) means that the seller delivers the goods on board the vessel or carrier nominated by the buyer at the named port of shipment or collection location or procures the goods already so delivered. The risk of loss of or damage to the goods passes when the goods are on board the vessel or carrier, and the buyer bears all costs from that moment onwards.

II. Loss or Damage. Notwithstanding any other terminology on the transaction documents, risk of loss of an Article passes to the Customer when the Article (1) is delivered to the carrier who will be responsible for carriage from Bre'al Products in the case of an Article shipped to a Customer or (2) is claimed by the Customer in the case of an Article picked-up at Bre'al Products or Bre'al Products Authorized Repair Facility by the Customer or the Customer's agent. In the event that the Article is lost, stolen, damaged, or destroyed before risk of loss has passed, the Customer must notify Bre'al Products, in writing, within five business days of the loss or else the Customer waives any right to compensation and remains responsible for the purchase price. In the event that the Article is lost, stolen, damaged, Bre'al Products Sales Order Standard Terms and Conditions or destroyed after leaving Bre'al Products or Bre'al Products Authorized Repair Facility, the Customer shall be obligated to pay all the amounts that would be due and payable to Bre'al Products if no such loss, theft, damage, or destruction occurred. In all events, Customer is expected to insure its Articles against loss. If Customer fails to insure Article against loss, then Customer does so at its own peril.

III. Documentation. All Articles sold by Bre'al Products shall have trace documentation to the extent described in the sales confirmation.

IV. Shipping Costs. If the purchase order directs that the Article be shipped according to a particular method, then Customer will reimburse Bre'al Products for actual shipping costs so long as Bre'al Products follows the directions of the purchase order. If the purchase order is silent as to shipping method, then Bre'al Products may opt to pay for shipping and shall be expected to choose a method of shipping that permits compliance with the terms of the purchase order, and the Customer will reimburse Bre'al Products for shipping charges. If Bre'al Products ships in a manner other than the manner directed in the purchase order, then Bre'al Products shall pay any Excess charges in shipping, as estimated by Bre'al Products.

V. Customer Inspection. Customer shall inspect the Article and all certifications and documentation delivered to Customer by or on behalf of Bre'al Products within five business days of receipt. Customer must notify Bre'al Products in writing of any discrepancies found during the inspection period. In the event that Customer notifies Bre'al Products, in writing, of discrepancies before the expiration of the inspection period, Customer shall have five business days from the day Customer provided Bre'al Products with the discrepancy, in writing, to request an RMA. If an RMA is requested within the time specified in the preceding sentence, and Bre'al Products provides the RMA, the Customer shall return the Article in accordance with section VII of these Standard Terms and Conditions or in accordance with other written instructions provided by Bre'al Products in connection with such RMA.

VI. Warranty. Bre'al Products warrants that Articles will be in the condition identified in the documentation. In the event that an Article does not meet the condition identified in the documentation, and the alleged discrepancy could not have been discerned during the shipping inspection, Customer may make a warranty claim by (1) notifying Bre'al Products in writing of the alleged discrepancy, (2) providing Bre'al Products with the failure report, and (3) asking for an RMA for warranty consideration. Unless otherwise noted on Bre'al's quote to the Customer, Bre'al itself does not warrant any part sold. Bre'al merely passes through any remaining / existing warranty that the OEM or MRO might have provided when the new or repaired part was purchased by Bre'al. Articles returned for warranty after 30 calendar days from date of invoice will not be eligible for credit. Once Bre'al Products has issued an RMA, the allegedly discrepant Article must be returned to Bre'al Products for a warranty claim within this warranty period (unless return is waived by Bre'al Products in favor of mutilation). If time is of the essence, then upon receiving written preapproval from an authorized Bre'al Products representative, Customer may be permitted to return the Article for warranty consideration directly to Bre'al Products Authorized Repair Facility (or other informed source) for evaluation. In response to a written notification of discrepancy under the inspection or warranty provisions of these Standard Terms and Conditions, Bre'al Products may (1) reject the claim if the claim is not authorized under the inspection or warranty provisions of these Standard Terms and Conditions or (2) issue an RMA and accept the return of the Article (in such an event, cost of return shipping shall be borne by Customer).

Once Customer is notified of warranty approval or denial by Bre'al Products, the Customer shall have 5 calendar days to provide shipping instructions enabling Bre'al Products to return the Article back to the Customer (the "Return Instruction"). If the Return Instruction is not received by the fifth calendar day, Bre'al Products, at its sole discretion, reserves the right to charge the Customer storage fees and any other applicable fees associated with the storage of the Article. If Bre'al Products has not received the Return Instruction in writing within 90 calendar days of Bre'al Products initial request for Return Instruction, Customer (1) shall be deemed to have relinquished all its rights of ownership and all its other rights, if any, to the Article, (2) assigns to Bre'al Products all ownership and all its other rights to the Article, and (3) acknowledges that Bre'al Products may dispose of the Article at its sole convenience and discretion.

The full cost of returning an Article in accordance with an RMA to Bre'al Products, including but not limited to all shipping costs to and from the Customer, shall be the sole responsibility of the Customer. Any shipping charges paid by Bre'al Products shall be applied and invoiced to the Customer accordingly. Bre'al Products may, at its sole discretion, pay or reimburse shipping costs to the Customer when warranty consideration is accepted. Unless written preapproval is authorized by Bre'al Products, all warranties, expressed or implied, shall immediately cease if Article is sent to a third-party repair facility, or compromised or tampered with by the Customer, an unauthorized repair facility, or other facility inspecting the Article, opening the Article, or tampering with or removing any safety wire, protective warranty label or sticker from the Article.

THESE WARRANTY TERMS REPRESENT THE SOLE REMEDIES AVAILABLE TO A CUSTOMER, AND ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED. BRE'AL PRODUCTS SHALL NOT BE LIABLE FOR ANY WARRANTY OF MERCHANTABILITY OR FOR ANY IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE. BRE'AL PRODUCTS SHALL NOT BE LIABLE FOR CONSEQUENTIAL, NOR INCIDENTAL, NOR SPECIAL, NOR PUNITIVE DAMAGES FOR ANY CAUSE OF ACTION THAT ARISES AS A CONSEQUENCE OF, OR IN RELATION TO, THE TRANSACTION SUBJECT TO THESE STANDARD TERMS AND CONDITIONS.

VII. Returns. Customer may not return an Article to Bre'al Products unless Bre'al Products has issued an RMA including a RMA number for the return. RMA's may be issued for alleged discrepancies when reported in accordance with section V of these Standard Terms and Conditions. RMA's may be issued for return for credit at Bre'al Products sole discretion. An issued RMA is valid for 30 calendar days from the issue date. If Bre'al Products or Bre'al Products Authorized Repair Facility has not received the Article/s within 30 calendar days from issue date, then (1) RMA consideration will expire, (2) Customer will not be Bre'al Products Sales eligible for a credit, and (3) Customer will be obligated to pay all the amounts that would be due and payable to Bre'al Products if no RMA request occurred.

An Article sold by Bre'al Products under these Standard Terms and Conditions that is returned to Bre'al Products with a request to issue credit must be (1) requested within 30 calendar days from date of invoice, (2) in unused and airworthy condition, (3) returned with original certifications and documentation accompanying the Article when shipped by Bre'al Products, or on Bre'al Products behalf to the Customer, and (4) accompanied by a written certification, signed by an authorized person on behalf of the returning Customer and any other parties which had the Article in their possession, certifying that the Article has not been installed, and that no attempt has been made to install it, since its receipt by the Customer and other parties. Such Article shall be subject to a restocking fee in the amount of (a) 15% of the total sale price for the Article or (b) a minimum fee of \$250, whichever is greater. Upon receipt by Bre'al Products, at Bre'al Products sole discretion, such Article may be sent to an Authorized Repair Facility for evaluation. If Bre'al Products or the Authorized Repair Facility determines that the Article does not meet one or more of the conditions specified in items (1) through (4) of this paragraph in this Section VII, then (i) the return claim shall be denied, (ii) Customer shall not be entitled to a refund, and (iii) Customer shall be obligated to pay the total sale price for the Article and any costs associated with restoring the Article to the condition in which the Article had been when shipped by Bre'al Products, or on Bre'al Products behalf, to the Customer and/or evaluation fees or any other costs associated with the determination that the Article does not meet one or more of the conditions specified in items (1) through (4) of this paragraph in this Section VII. If the Authorized Repair Facility finds that any found discrepancies are the result of the mishandling, use, or other incidents which occurred after the Article left Bre'al Products control, then the Customer shall be obligated to pay all fees identified in these Standard Terms and Conditions.

VIII. Container Fees. If the Customer elects to buy an Article that requires a special shipping container (the “Container”), the Customer will be charged an additional special shipping container fee (the “Container Fee”). The Customer will then have 30 calendar days from the date of shipment to return the same serialized Container and receive a full credit for the Container Fee. The Container must be returned in an undamaged condition for the Customer to receive a full credit for the Container Fee. If the Container is not received within 30 calendar days from the date of shipment, or if the Container is received in damaged condition, or if the Container is lost or stolen, Bre’al Products will be under no obligation to issue a credit to the Customer. The Customer shall be obligated to pay all the amounts that would be due and payable to Bre’al Products.

IX. Customer Charge-Backs. If the Customer elects to pay by credit card or by Automated Clearing House (“ACH”), in the event that the Customer, or any of its representatives, initiates a charge-back, immediately upon the charge-back becoming effective, the Customer shall be obligated to pay to Bre’al Products the amount subject to the charge-back, any fees or costs charged to Bre’al Products as a consequence of the charge-back, and any fees or costs, including attorneys’ fees, associated with Bre’al Products actions to collect payment from the Customer.
